TRAIL INFO

The easiest lines in the bike park offer a diversity of challenges suited to learning and improving riding technique.

Medium difficulty lines are suited for intermediate riders with mountain-bike experience. From dirt jump to drops: All things fun can be found here!

Difficult trails are designed for advanced riders. Features include North Shores, gaps, dirt jumps and drops in all variations.

BIKING TECHNIQUE COURSES

Our bike school offers lessons for beginners, intermediates and advanced bikers of all age groups. Choose from a wide range of riding technique courses. Private instruction is also possible on request. Please consult the "courses" flyer or visit www.bikepark-winterberg.de

2011 INNOVATIONS

TRUVATIV SLOPESTYLE IXS DOWNHILL

Truvativ Slopestyle:
The final building phase is now complete. 2 new boxes, new jumps and new lines are ready to be tested...

iXS Downhill:
New technical sections were added to the trail.

SAFETY FIRST!

We keep an eye out for you:
The Bikepark-Team checks all trails on a regular basis. For your own safety, it's compulsory to wear a helmet on all trails. Some demanding trails are only to be used with full body armour. Technique courses can teach you to ride fast and stay safe at the same time.

GRAVITY CARD

We're a member of the "Austrian Leading Bikeparks and Friends" association, and therefore proudly offer the GraVity season pass. Go ride in Maribor, Saalbach Hinterglemm, Leogang, Planai, Semmering, Wagrain, Bischhofsmas, Winterberg, Bad Wildbad, Spicak and Livigno.
